- ICR Maintenance are approved waterproofing applicators for numerous reputable material manufacturers.
- We are dedicated to making your premises safer, more valuable, aesthetically pleasing and comfortable.
- All work is overseen by our management and our staff are reliable, experienced and knowledgeable.
- We always offer professional and efficient service.
- We are based in Centurion, Gauteng, with our main markets being in Johannesburg, Midrand and Pretoria.

# ROOFING

## Our roofing service includes the following:

- Repairing of roofs
- Roof extensions
- Re-roofing: New trusses, tiles or sheets
- Roof sagging: Repairing damaged bracing or trusses
- Installation and repair of gutters and downpipes

## Roof types

- Corrugated / IBR roofs
- Concrete roofs
- Tiled roofs
- Flat roofs

# WATERPROOFING

Waterproofing is crucial to stop water and moisture from entering the structural areas of the property and causing damage.

## We do waterproofing for

- Corrugated / IBR roofs
- Concrete roofs
- Tiled roofs
- Flat roofs

## Our waterproofing solutions include the following:

- Acrylic Waterproofing
- Torch-on Membranes
- Board and torch
- Liquid Polyurethane

# PAINTING

- Painting is one of the most important parts of building maintenance

## Our painting services include:

- Painting of roofs: tile roofs, IBR roofs, corrugated roofs for Industrial, Commercial & Residential
- Painting of all types of roofs using an airless spray gun
- Interior and exterior painting
- Treatment of all wooden windows and doors

# DAMP PROOFING

- Damp Proofing is required when there is a moisture build up in the walls causing problems such as damp patches, peeling paint/wallpaper and eventually plaster falling away from the wall. If left untreated, damp problems will lead to structural damage to the building
- We provide treatment solutions to Rising as well as Lateral (Penetrating) Damp

# CEILINGS & PVC CEILINGS

- Ceilings can instantly improve the interior of a house or office building

## Applications

We specialise in:

- Rhino board ceilings
- Suspension ceilings
- PVC ceilings
- Nutec ceilings

# DRYWALLING

## Applications

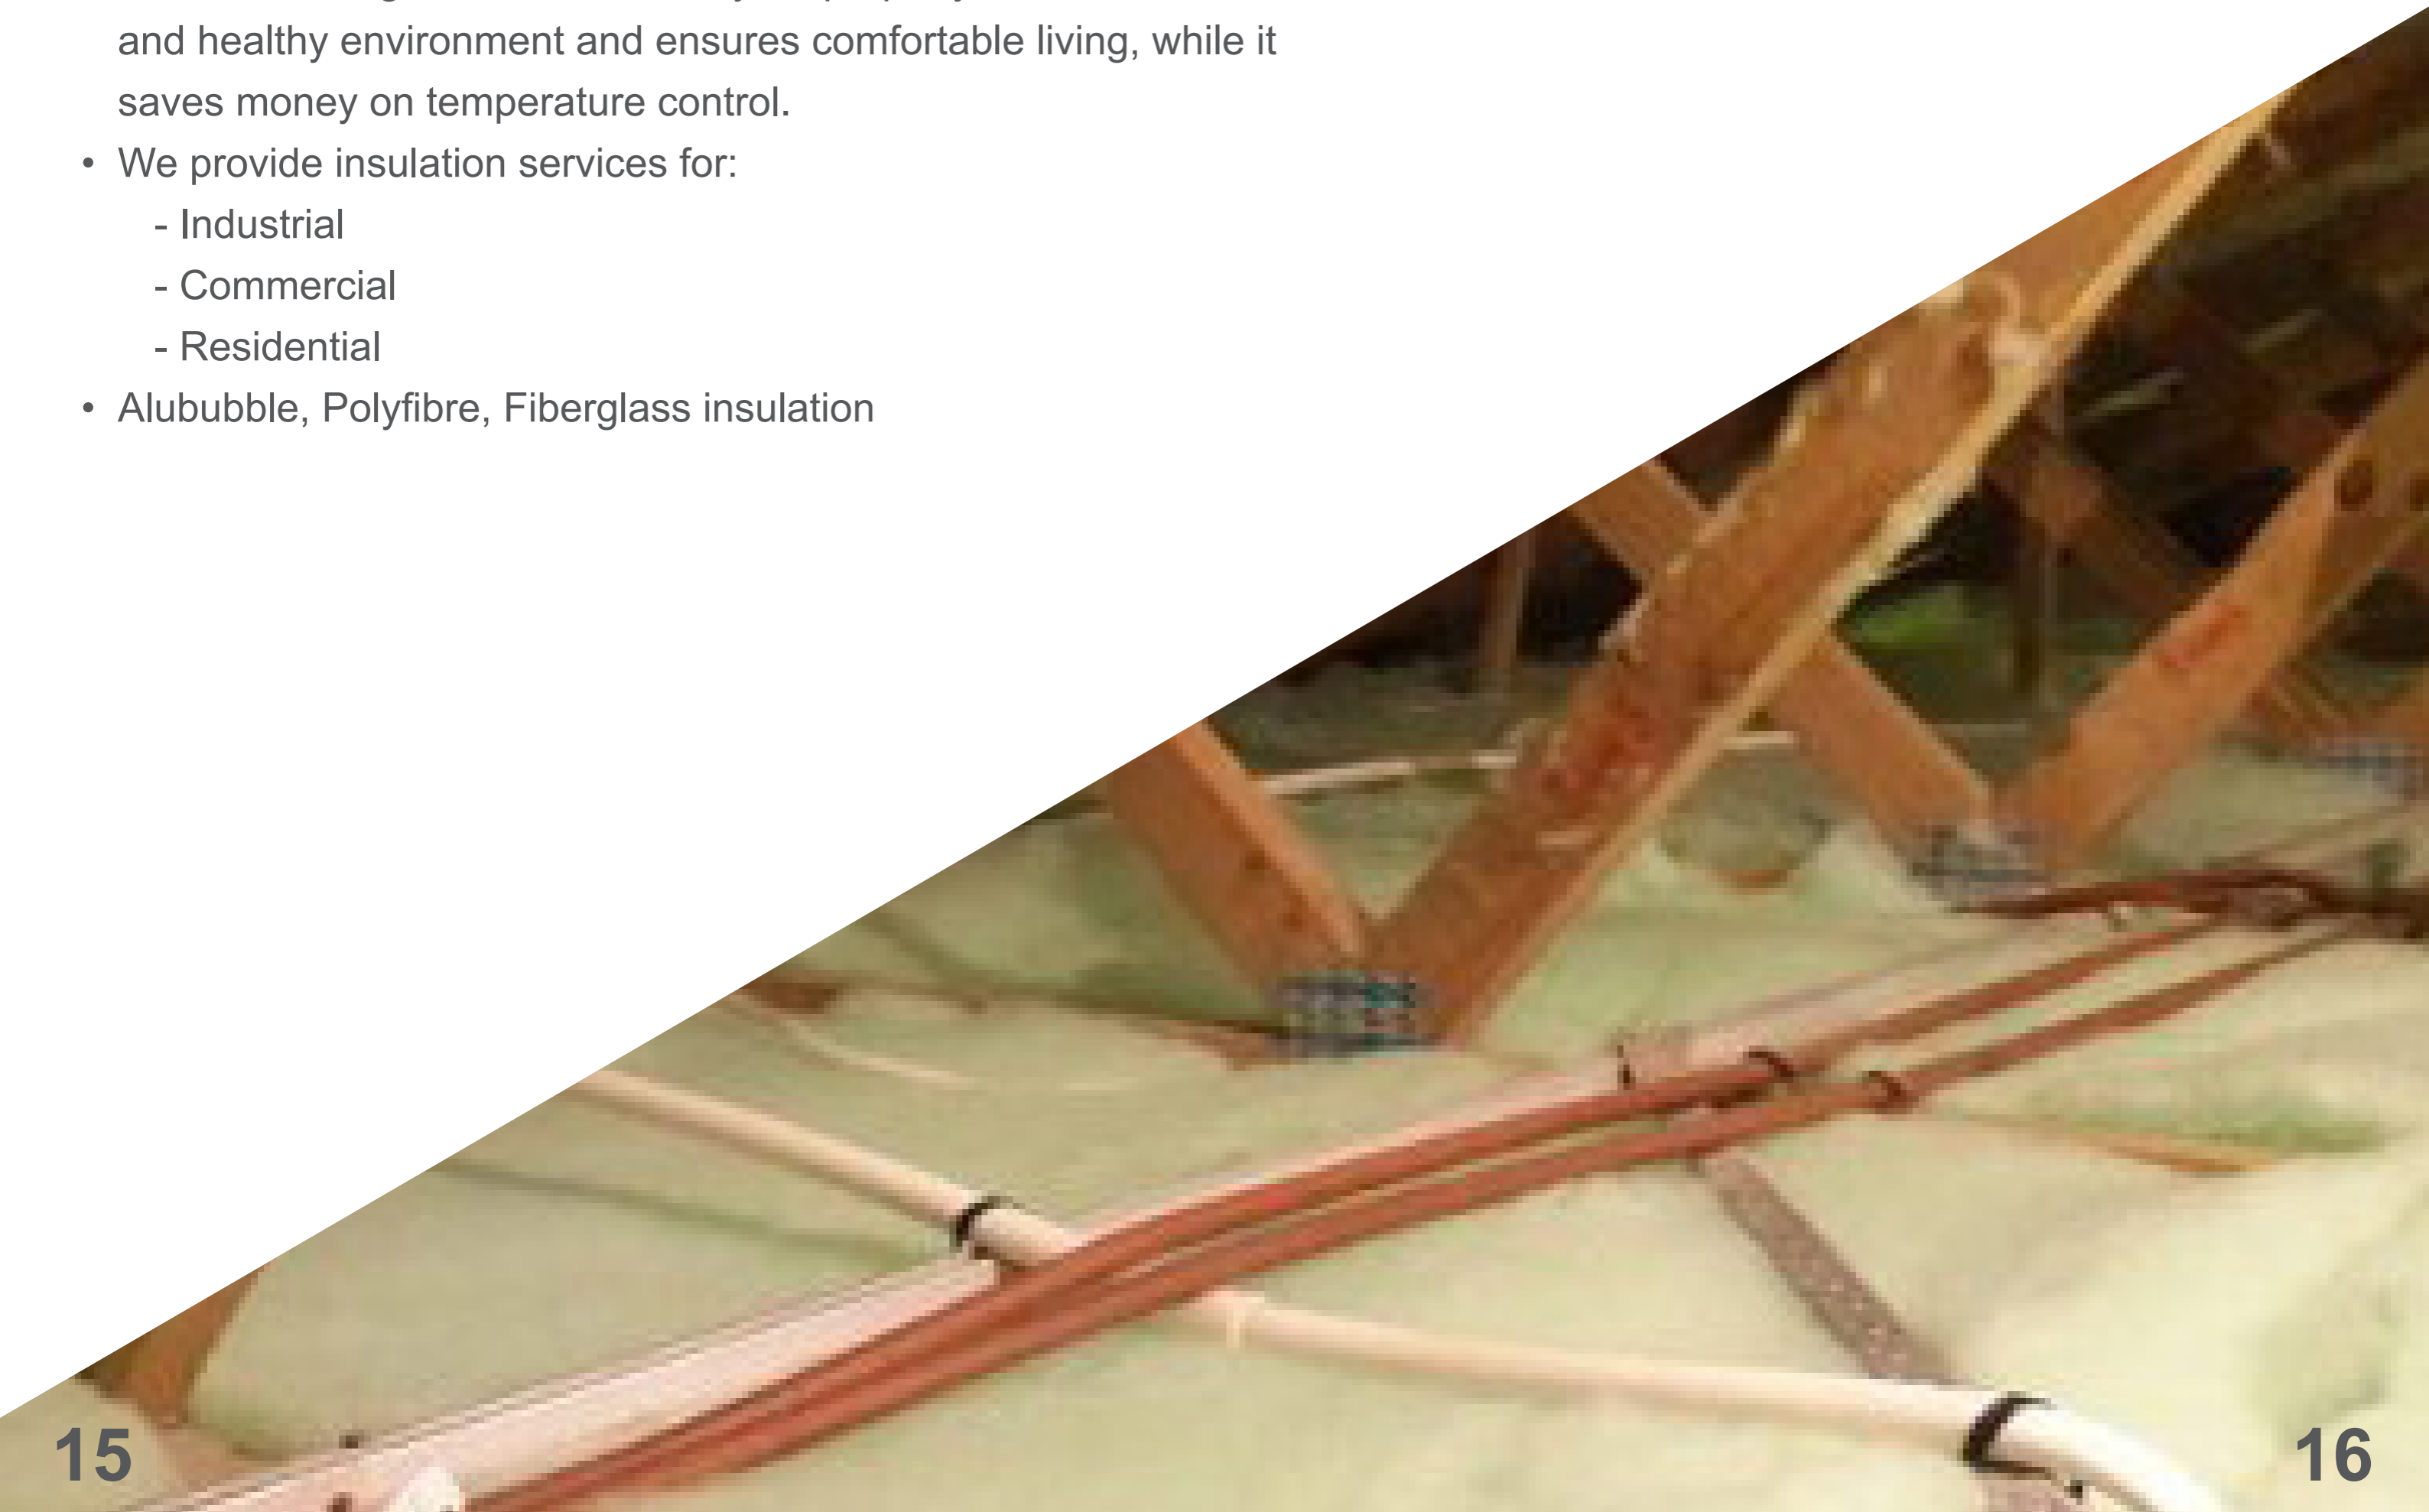

- Installing of Rhino drywalling boards
- Installing PVC partitions

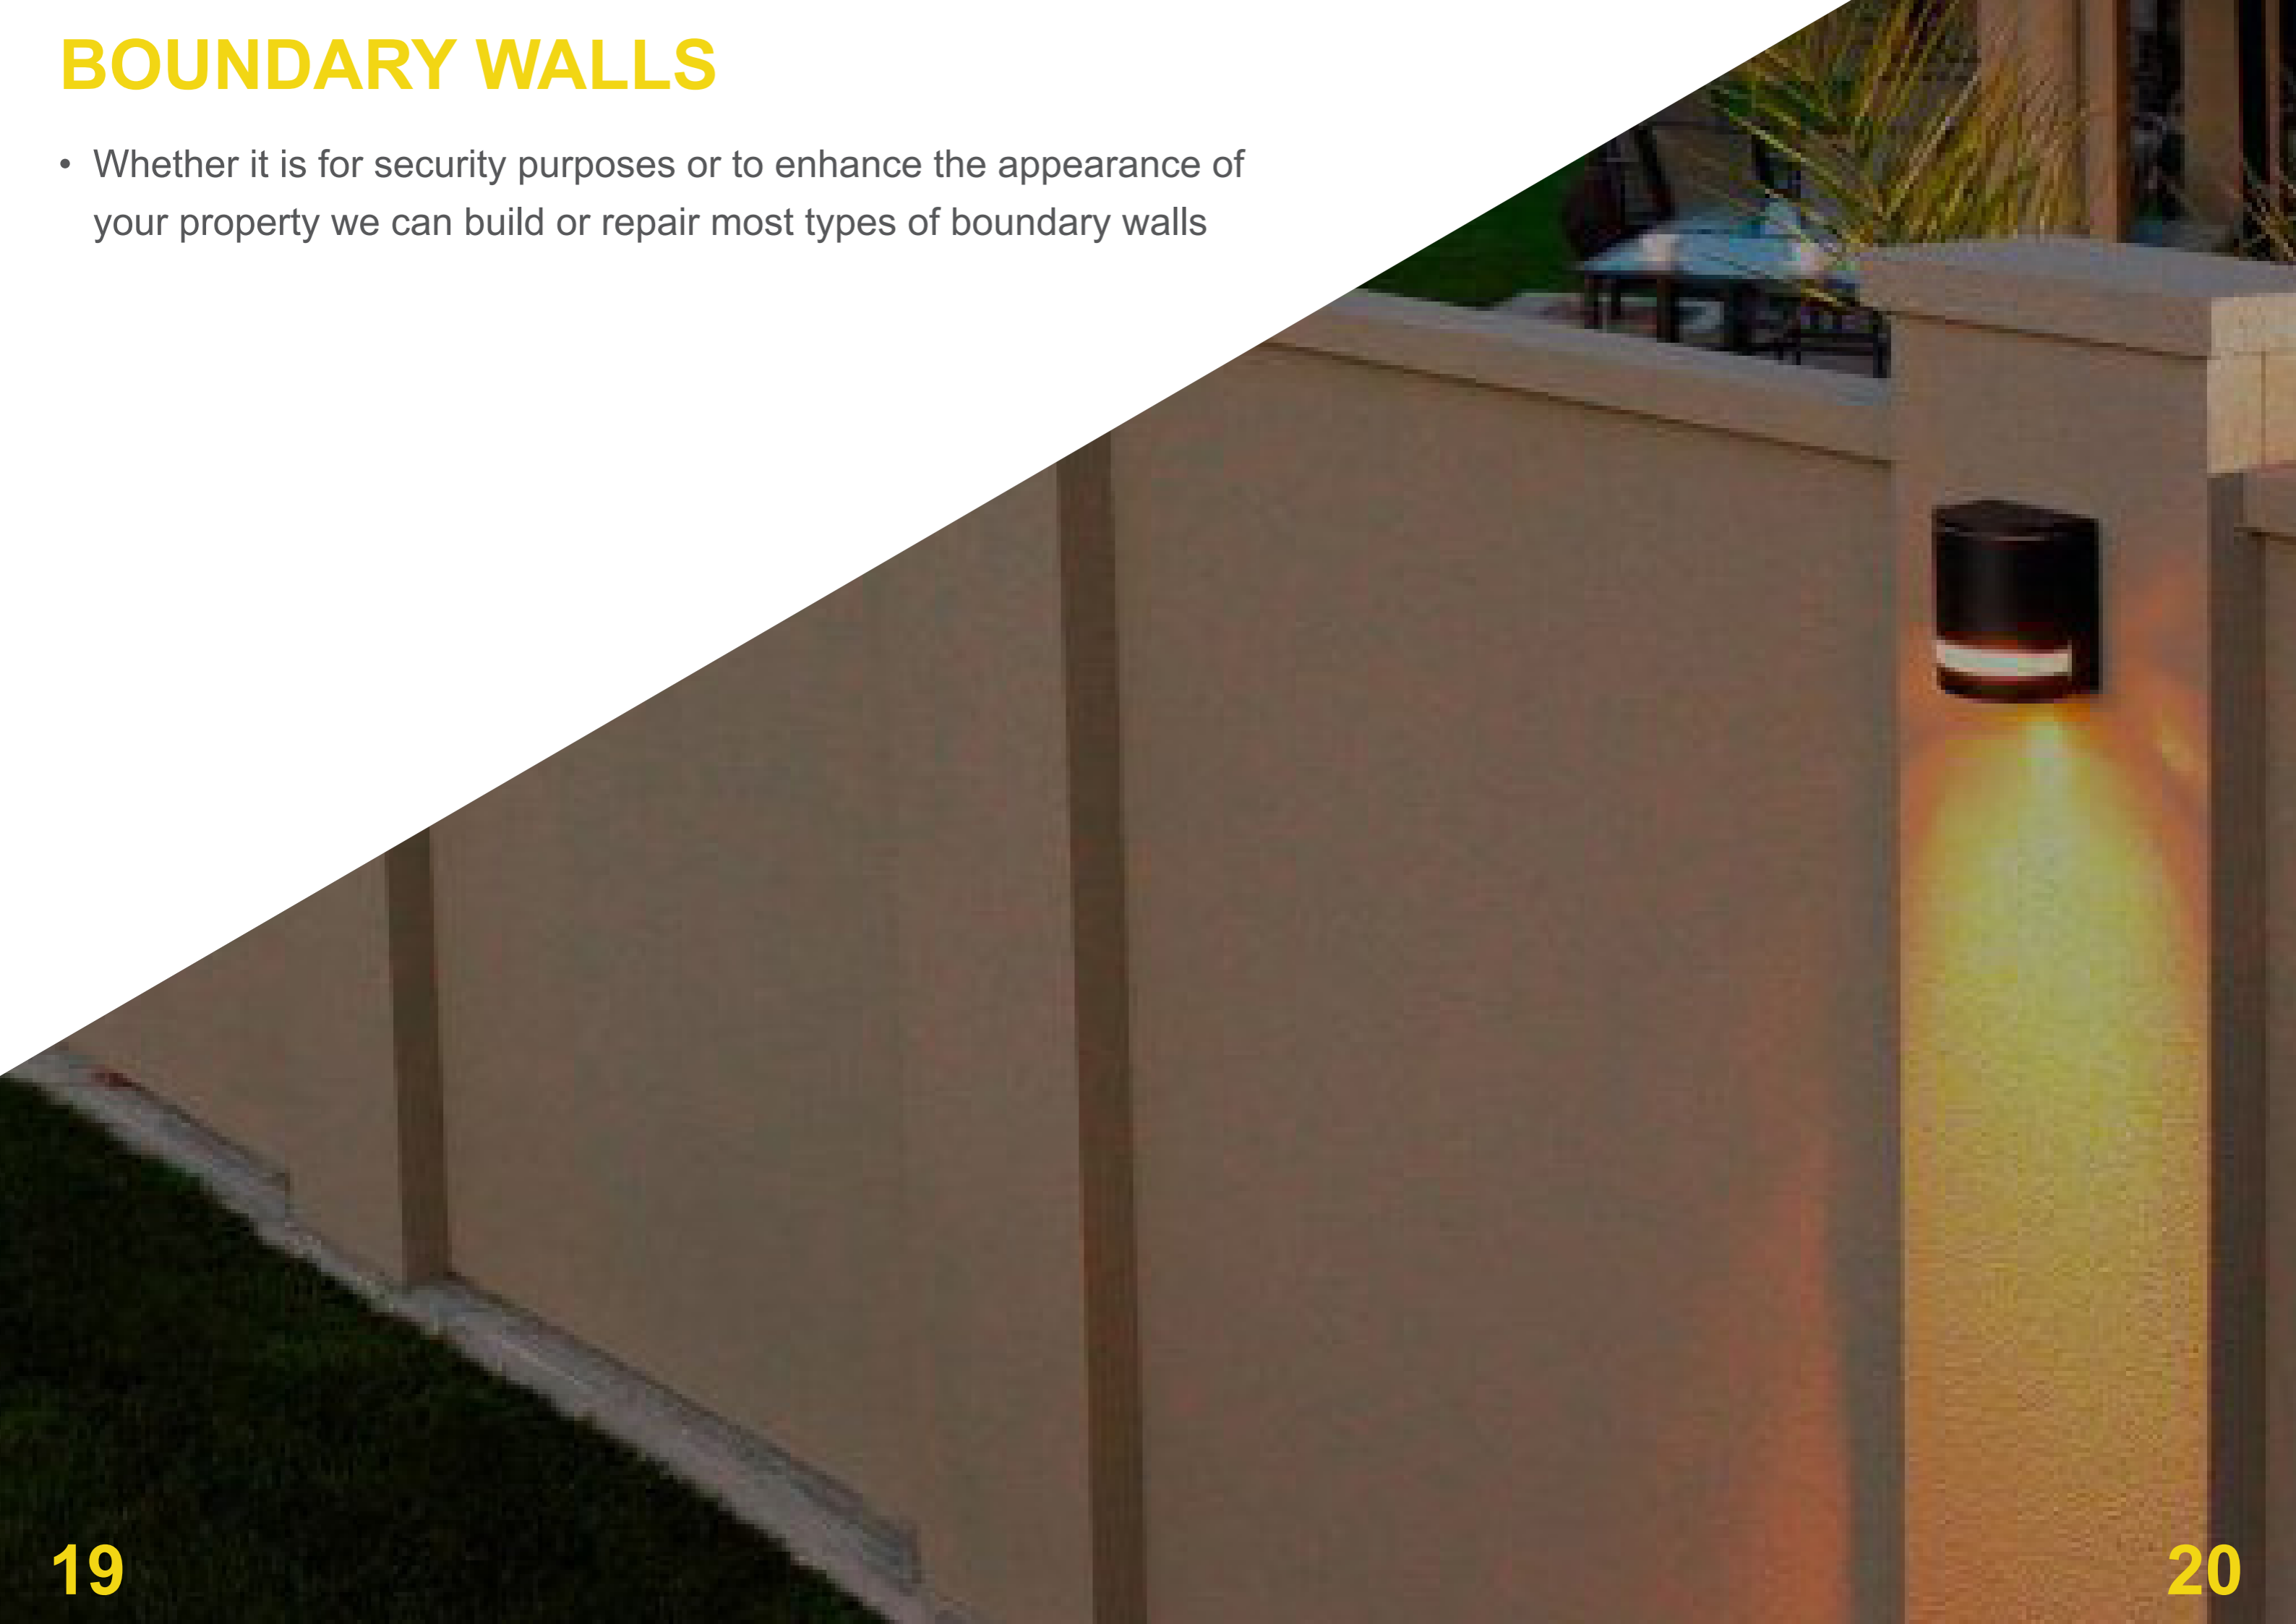

# INSULATION

- Insulation is a good investment in your property. It creates a clean and healthy environment and ensures comfortable living, while it saves money on temperature control.
- We provide insulation services for:
  - Industrial
  - Commercial
  - Residential
- Alububble, Polyfibre, Fiberglass insulation

# BOUNDARY WALLS

- Whether it is for security purposes or to enhance the appearance of your property we can build or repair most types of boundary walls

## OUR VALUES SET US APART

- Integrity
- Excellence
- Reliability
